1st Australian Corp Petrol Park Internet Website

As you can see I have setup an Internet Website and E-mail address for the 1st ACPP. I would like this to have some general information about the Unit, Pictures and Information about ANZAC day. I know there is plenty of interest in the unit from the children, grand children and great grand children, and others so I am hoping that the website can provide some information or a way to find out more. Any assistance with information would be appreciated. Please e-mail me if you can.

I would Like to thank Roger Hyde and Teresa Wright (Mick Wright's Daughter) for their assistance with the Newsletter and organizing ANZAC day for 2004 and 2005.
