APRIL 2014 - 1st A.C.P.P.
NEWSLETTER No. 45

Dear Members,

ANZAC Day is fast approaching and all is in readiness for this year's March. Our starting point looks like the same as last year. We will start in Swanston St between Flinders Street and Collins St. Near the City Square.
Any Veteran that wants to take part in the march should contact me as soon as possible so we can arrange a vehicle if needed.

If you need any more info on this please contact me. I will have my phone with me on Anzac Day. **0409-706-695**

Assembly will be from **0915hrs to 0940hrs** with **departure** scheduled for **0945hrs.**

The RSL have asked that only one Next of Kin represent a member in the march. Also that Next of Kin wear medals on the **RIGHT** chest. Only those that are the original recipient of the medals are to wear them on the Left.

RE-UNION

The Re-Union will go ahead as normal and will be held at the Richmond Union Bowling Club after the March. The Bowling Club is situated behind the Richmond Town Hall just past Church Street, traveling along Bridge Road from the city. **The entrance to the Club is in Gleadell Street.** We will be sharing the venue with the 2/7th Battalion association. They have joined us there for the last few years and they will be returning so it will be fairly busy. A bit like years gone by. If you are not able to make it on the day feel free to let me know.

SPECIAL NOTICE: - We will have the Mini Bus from JP Auto in Croydon, to take us back to the reunion after the march. It will be parked in Domain Rd near the pedestrian Crossing. Assemble in the dispersal area after we have marched and we will all go together to the bus.

'LEST WE FORGET'

In 2013 we lost Ernie Bates. Ernie had passed 100 years old and will be missed.

Please accept our apology for not mentioning any member who may have passed away over the past year, as we may not have received notification. Please contact me with news of the passing of any member.

Subscriptions: - Will remain the same as last year at

$20.00 for those attending the Re-Union which covers the costs for the day.

Donations: - Thank you to those members who donated last year. Your donation is appreciated.

2013 March Report:

It's fair to say the changes made to the marshalling point caused a lot of confusion. Many units were out of order, many people did not get to march with their units. Let's hope that this year it works better even though there are changes again.

Please contact me if there is any information you need:
